

YEAR 11

REFER A FRIEND

We're a family business and we like to keep it in the family!

That's why if you refer us to a friend or family member and they enrol we share the love with a Refer a Friend bonus. You receive **\$100 off** the next term and your friend receives an instant **20% discount off** their enrolment. You just need to be sure to use your Family ID which is found in the Dymocks Tutoring App.

FREQUENT LEARNER DISCOUNT

At Dymocks Tutoring we aim to make it as easy and affordable as possible to get the help you need.

All our students have the opportunity to get a **10% discount** off their next term enrolment cost when they select Frequent Learner. We recommend you turn it on - it's as easy as tapping a toggle on the Dymocks Tutoring App - and we give you plenty of notice before you are automatically re-enrolled.
