

YEAR 12

REFER A FRIEND

We're a family business and we like to keep it in the family!

That's why if you refer us to a friend or family member and they enrol we share the love with a Refer a Friend bonus. You receive **\$100 off** the next term and your friend receives an instant **20% discount off** their enrolment. You just need to be sure to use your Family ID which is found in the Dymocks Tutoring App.

FREQUENT LEARNER DISCOUNT

At Dymocks Tutoring we aim to make it as easy and affordable as possible to get the help you need.

All our students have the opportunity to get a **10% discount** off their next term enrolment cost when they select Frequent Learner. We recommend you turn it on - it's as easy as tapping a toggle on the Dymocks Tutoring App - and we give you plenty of notice before you are automatically re-enrolled.

ENGLISH (STANDARD, ADVANCED)
MATHS (STANDARD, ADVANCED, EXTENSION 1 & 2)

Maximise Your Marks with Expert Study Guides.

The Dymocks Tutoring Key Points series offers concise, easy-to-use study guides for Year 12 HSC and OC/Selective School exams. Written by top HSC achievers, these guides break down complex concepts into key points to help you focus on what matters and maximise your marks. Unlock your academic potential with Key Points!

Key Points Series Features

Key Points highlights the key study areas you need to focus on for your HSC.

- Don't waste time taking hundreds of pages of notes that you don't have time to read.
- We've created summaries to make your study easier - broken down by module and chapter our easy to follow guides will save you hours of study!
- With comprehensive examples and practice questions - we break down the key concepts you need to know across our range of Key Points guides.
- Key Points provides an affordable summary written by HSC high achievers who achieved either a Band 6 or E4 in their key subject.
